SWINBURNE
UNIVERSITY OF
TECHNOLOGY
SARAWAK CAMPUS

Swinburne University of Technology (Sarawak Campus)

A full fledged campus of Swinburne University of Technology, Melbourne, Australia and operates in partnership with the Sarawak State Government and Sarawak Foundation. The establishment of the Sarawak Campus is part of a long-term strategy by Swinburne University of Technology, Australia to globalize its operations and provide all Swinburne students worldwide with international living, working and learning opportunities.

Currently the city campus of Swinburne University of Technology (Sarawak Campus) occupies the first six floors of the State Complex at Jalan Simpang Tiga, which is about 10 minutes drive from Kuching International Airport.

Swinburne University of Technology, Australia

Established in 1908, Swinburne University of Technology, Australia has grown from being a local Melbourne provider of technical education into a multi-sectoral, multi-discipline and research intensive provider of higher education and training of national and international significance. Swinburne has six campuses in Melbourne, namely Hawthorn, Prahran, Lilydale, Wantirna, Croydon and Healesville.

The University is highly regarded for delivering programmes in engineering, information technology, business, design, social and behavioural sciences, biophysical sciences and mathematical sciences.

8 August	Intake for Degree and Diploma Programmes

The Advantages of Swinburne University of Technology (Sarawak Campus)

Full Fledged University

Swinburne Sarawak is a full fledged University campus in Malaysia offering Australian quality education.

International Qualification

As a branch campus of Swinburne University of Technology, Australia, degrees at the Sarawak campus are to be awarded by Swinburne University of Technology, Australia.

Flexibility

Students have flexibility for choosing to complete their degrees either in Kuching or Melbourne. Additional majors are also available to them in Australia.

Industry-Based Learning (IBL)

Swinburne degree students will be provided with an opportunity to complete a 3 to 6 months of industry-based learning programme in industries relevant to their course of study.

Cost Saving

Students and parents enjoy substantial cost saving by paying Malaysian fees to obtain a qualification of international quality and recognition. Students can complete the entire degree course in the Sarawak campus if they choose to do so.

Living and Learning Environment

The Sarawak campus is located in Kuching, the capital city of Sarawak. Besides providing a safe and conducive learning environment for national and international students, it is also a modern city with excellent infrastructure and facilities.

Study Loans and Scholarships

Scholarships and study loans are offered by the government educational loan institutions and private financial institutions.
