

Weekly Research Seminar Series

Organized by

IMPLEMENTATION STRATEGIES OF FORMATIVE ASSESSMENT & PROBLEM BASED LEARNING

Seibu Mary Jacob

School Of Business/Engineering
Swinburne University of Technology (Sarawak Campus)

Abstract

Learning & assessment has been of fascination to educators of all times. Here are we going to see the gist of 2 papers on implementation strategies of Formative Assessment & Problem Based Learning, to be presented at International Conference on Education (ICE) in December 2005, in Singapore. The presentation would incorporate our University students' perceptions on the same.

WHEN: Date, (Slot 1 3:30-4:00 PM)

WHERE: Room 4.07
