**SWINBURNE SARAWAK CAMPUS**

7. When you are logged in, you will see this message on the right hand side of the screen.

## Basic/Quick Search

The screenshot shows the EBSCOhost search interface. At the top, there is a navigation bar with links for 'New Search', 'Subjects', 'Publications', 'Images/Video', and 'More'. On the right side of the navigation bar are links for 'Sign In', 'Folder', 'Preferences', 'Languages', 'Help', and 'Exit'. The main header area includes the EBSCOhost logo and the text 'SWINBURNE SARAWAK CAMPUS'. Below the header, there is a search bar containing the text 'Australian healthcare system' and a 'Search' button. A 'Search Options' link is located below the search bar. The 'Search Options' panel is expanded, showing various search modes and expanders. The 'Search Modes and Expanders' section includes radio buttons for 'Boolean/Phrase', 'Find all my search terms', 'Find any of my search terms', and 'SmartText Searching'. The 'Limit your results' section includes checkboxes for 'Full Text', 'Publication', and 'Number Of Pages', as well as a 'Date of Publication' section with dropdown menus for 'Month' and 'Year'. There are also checkboxes for 'Peer Reviewed', 'Image Quick View', and 'Image Quick View Types' (Black and White Photograph, Color Photograph, Graph, Map, Chart, Diagram, Illustration). A 'Reset' button is located in the top right corner of the 'Search Options' panel. A 'Search' button is located in the bottom right corner of the 'Search Options' panel.

5 Search

### When you first log into EBSCOhost

- 1 You will see the Basic Search box at the top of the screen. Enter your search term(s) in the search box and click the **Search** button. This is useful for simple searches or finding a known article.
- 2 Click the **Search Options** link, if you would like to use any of the optional Limiters or Expanders. To close the **Search Options**, click the link again.
- 3 Select a specific search mode, such as "Find all of my search terms," or "SmartText Searching."

#### Search Tips:

- Use AND search operator between two keywords or phrases to search for articles containing both terms.  
(e.g.: Australian healthcare system AND policy )

- Use OR search operator between keywords to search for articles containing either term (e.g.: robot OR golem)
- Use Boolean operators to exclude other terms in our search (e.g.: bipolar disorder NOT Schizophrenia)
- Quotation marks can be used around any search phrase or exact combination of keywords. (e.g.: "United Kingdom of Great Britain" AND Ireland OR "Mental Health")
- You can find more information on the use of Boolean operators (**AND** , **OR** and **NOT** search operators) on connecting and define relationship between your search terms as well as to either narrow or broaden your results.

4 Apply **Limiters** such as Linked Full Text or Scholarly (Peer Reviewed) Journals.

5 Click the **Search** button to execute.

The search field is displayed above the Search Result List. Your search terms, limiters and expanders are retained. To revise your search, you can apply the limiters under **Limit To** on the left or click the **Show More** link to view all available limiters.

## Advanced Search

EBSCO research interfaces allow users to conduct advanced searches using a Single Find field. The Single Find field offers ease of use to expert researchers who have developed more extensive search strategies.

- 1 Click the Advanced Search link below the **Search** box.  
On the Advanced Search Screen, enter your search terms in the **Search** field.

The screenshot displays the EBSCOhost search interface. At the top, there is a navigation bar with links for 'New Search', 'Subjects', 'Publications', 'Images/Video', and 'More'. On the right side of the navigation bar are links for 'Sign In', 'Folder', 'Preferences', 'Languages', 'Help', and 'Exit'. Below the navigation bar, the search field contains the text 'Australian health care system AND policy'. To the right of the search field is a green 'Search' button with a yellow circle containing the number '4'. Below the search field are three tabs: 'Basic Search', 'Advanced Search' (highlighted with a yellow box and a yellow circle containing the number '1'), and 'Search History'. The main content area is titled 'Search Options' and contains several sections: 'Search Modes and Expanders' with radio buttons for 'Boolean/Phrase', 'Find all my search terms', 'Find any of my search terms', and 'SmartText Searching'; 'Apply related words', 'Also search within the full text of the articles', and 'Apply equivalent subjects'; 'Limit your results' with checkboxes for 'Full Text', 'Peer Reviewed', and 'Publication type' (with a dropdown menu showing 'All', 'Periodical', 'Newspaper', 'Biography'); 'Number Of Pages' with a dropdown menu; 'Image Quick View Types' with checkboxes for 'Black and White Photograph', 'Color Photograph', 'Graph', 'Map', 'Chart', 'Diagram', and 'Illustration'; and 'Date of Publication' with dropdown menus for 'Month' and 'Year'. A yellow circle containing the number '2' is placed over the 'Search Options' title. A yellow circle containing the number '3' is placed over the 'Limit your results' section. A yellow circle containing the number '4' is placed over the 'Search' button at the bottom right of the 'Limit your results' section.

- 2 Select from the available **Search Options: Search modes** – Use specific [search modes](#), such as “Find all my search terms,” or “SmartText Searching,” or use search options that expand your search such as “Apply related words.”
- 3 **Limit your results** – such as Full Text, Peer Reviewed, Publication type and etc.
- 4 Click the **Search** button.
- 5 The Search Result list displays. The search field is displayed above the Result List. Your search terms, limiters and expanders are retained.
- 6 To revise your search, you can apply the limiters under **Limit To**.
- 7 Click the **Show More** link to view all available limiters and expanders

## Your Search Results

A list of references which contain your search terms will be displayed, in relevance order. You can further refine your list of results by year, publication titles, topic or content type located on the left hand side.

FullText or just the Abstract?

 **PDF Full Text (768KB)** This button can be seen under each article record, which means you can download the fulltext with the size of the file is in bracket.

If you are unable to access to the full text, please use our interlibrary loan service:

<https://www.swinburne.edu.my/library/about-library/inter-library-loans.php>

 This button enables you to download references into bibliographic management tools i.e. EndNote or others, save the references, abstracts and links to the EBSCOhost record as a text file.
