### **University Information:**

As a 21st century university at the cutting edge of technology, innovation and entrepreneurship, Swinburne University of Technology has an ambitious vision to become the prototype of a new and different university. A next generation university. With a century long history of educating and training students with high-quality, career-orientated education and strong links to industry and the community it aims to bring people and technology together to create a better world.

Swinburne has an international reputation for quality research that connects science and technology with business and the community. The University standing in prestigious world academic ranking lists reflects our commitment to high-quality teaching and research and graduate outcomes.

Swinburne's emphasis is on high quality, engaged teaching and research in science, technology, business, design and innovation – teaching and research that makes a difference in the lives of individuals and contributes to national economic and social objectives.

Swinburne works to advance quality research through partnerships with industry, our communities and other universities within Australia and internationally, to achieve outcomes that are directly relevant to industry and society.

Swinburne offers both Higher Education and Vocational Education courses and programs, along with online education through both Swinburne Online and Open Universities Australia. The University has multiple campuses in Melbourne, Australia, and also an international campus in Sarawak, Malaysia.

The Campus in Sarawak is a licensed branch campus university in Malaysia which offers selected undergraduate, postgraduate and research degree courses identical to those offered at other Swinburne campuses in Australia. It also offers pre-university foundation programs. The Campus was established in 2000 as Swinburne Sarawak Institute of Technology and on gaining university status in Malaysia changed its name to Swinburne University of Technology (Sarawak Campus) in June 2004.

The Campus occupies a 16.5 acre site in central Kuching, the state capital of Sarawak. The Sarawak Campus has students from Malaysia and other countries, and plans to expand rapidly as its staff and facilities are developed continuously to allow a greater number and diversity courses to be offered.

The Campus in Sarawak is a joint venture between Swinburne University of Technology in Australia and the State Government of Sarawak through two of its shareholders – Yayasan Sarawak and the Sarawak Higher Education Foundation. The campus is part of a long-term strategy by Swinburne Australia, established in 1908, to globalise its operations and provide its students with international living, working and learning opportunities.
