Adobe Creative Campus

Malaysia's first Adobe Creative Campus

We want you to graduate with digital literacy knowledge. That's why all Swinburne students have free access to the full Adobe Creative Cloud suite. That's over 20 Adobe applications. Build your portfolios, personal websites, presentations and so much more!

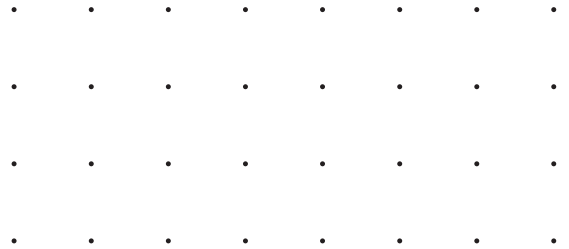

Top 10 Perks of Being A Swinburne Sarawak Student

1 Australian Education at a Fraction of the Cost

Paying three times less is great. It gets better because you'll be living in Kuching. But it's not just about starting in Kuching. You can also study in Melbourne. Your choice. Experience two incredible cities and get the best of both worlds. Add to that both are warm, student-friendly cities to study; the choice is easy.

2 Work Integrated Learning

We work in partnership with the best. With more than 93% of our graduates in some form of employment within six months of finishing their degree, you can be confident that your future is in great hands. At Swinburne, we make sure you get the experience and the critical skills you need for industry success.

3 Location, Location, Location

Kuching may be pretty different from 'home' – but it doesn't feel that way. Swinburne Sarawak is located within easy access to lifestyle, healthcare, transport and commercial hubs, making it an exciting place for university life. On campus, you'll find yourself surrounded by people from different backgrounds, culture and language, yet you'll always feel at home.

4 Students From More Than 50 Countries

Swinburne Sarawak is home to 3,500 students from more than 50 countries. This diversity encourages our students to appreciate cultural differences. You'll be off the beaten path and gain invaluable cross-cultural insights that you couldn't get anywhere else.

5 Cheap and Delicious Eats

Kuching offers a wide selection of international and halal cuisine. From the simplest meal to that which is satisfyingly filling, you'll be spoilt for choice. Major shopping malls and commercial areas are just a walking distance from campus, so you'll not feel isolated.

6 Adobe Creative Cloud. 24/7

Here is everything you need to start learning and creating. And the best part is that it's all in the name of digital literacy – which means that you can create anything you want, whenever you want. So go ahead and make that 3D animation, build webpages and even apps! All hail digital literacy, we say.

7 You'll Find Your People

Diversity is one of our strengths. Our clubs and societies will connect you with people of similar interests as you, and where you can pursue your interests in a supportive environment. Our clubs and societies are a great place to expand your social circle and meet like-minded students.

8 Feeling Safe, Day Or Night

We want you to feel safe when you're on campus, whether you need to attend an early-morning tutorial or are studying late at night. Our Security Officers patrol the campus day and night. And if you ever find yourselves in a dicey situation, they are committed to keeping you safe.

9 Advice Whenever You Need It

Got questions about your visa? Looking for some advice on accommodation? We're here to help. Whether you need counselling on a problem or financial advice to improve your money habits, Swinburne students have access to a range of services and advice.

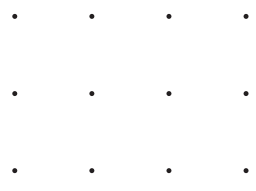

10 Be A Job Taker or Job Creator

We're all about job readiness. We'll make you a job taker or job creator in a world where work is defined by technology, innovation and entrepreneurship. This is proven with our graduate employability rate consistently topping 93% and JobStreet.com's recognition of Swinburne being one of Malaysia's Top 10 Preferred Private Universities.

Life In Kuching

The Sarawak campus is in Kuching, one of Southeast Asia's most liveable cities.

Kuching is one of the most affordable Malaysian cities with a vibrant culture. A multicultural city, the locals are welcoming, and friendly, offering students a real sense of community. The many international festivals held annually, and its proximity to nature offers more than just high-quality Australian education. Its connectivity to the rest of the world also ensures you're never far from a quick weekend escape from student life.

Home to over 700,000 people, Kuching is a modern, safe and affordable city that offers an unbeatable lifestyle for students.

Experience Kuching's gastronomic offerings at pocket-friendly prices

A World Recognised City for Gastronomic Adventure

Due to its unique food preparation techniques, Kuching offers foodies a wide range of cuisines. This gastronomic adventure earned the city UNESCO's recognition as among its Creative Cities Network for food heritage and diversity.

Explore The Streets Of Kuching

Kuching is safe for students, its residents friendly and hospitable. Once you live in Kuching, you'll find that there is so much for you to see and experience be it in or around the city. With English being widely spoken, rest assured you'll feel right at home and will find it easy to settle in.

A safe and modern city, Kuching is ideal for student life

Shopping conveniences is just a short drive away

Enjoy The Great Outdoors

For nature and outdoor lovers, fun and physically challenging activities are bountiful. Go rock climbing at Fairy Cave, a good one-hour drive from the city. Or if you're looking to experience some primary jungle without having to go into the interiors, join one of the many river kayaking trips offered by a local tour company. It is an exciting way to enjoy the calm and peace of the rainforest.

Convenience At Your Doorstep

Swinburne's 16.5-acre Sarawak campus is just a 10-minute drive to the city centre, even lesser from the airport. Surrounded by commercial and residential areas, you'll have easy access to supermarkets, restaurants, banks, malls and healthcare services.

In Kuching, you'll never run out of places to see and things to do.

Swinburne Sarawak

Swinburne’s campus in Sarawak boasts state-of-the-art learning and teaching facilities housed in contemporary, custom-designed buildings and offers courses in arts, business, design, engineering, computing and science. As all these courses are identical to our Melbourne campuses, our degrees are awarded the same Australian testamur.

With more than 100 student-led recreational clubs, societies, and activities, on-campus life at Swinburne Sarawak is interesting, appealing, colourful and engaging.

We are multinational

Swinburne Sarawak is home to more than 3,500 students from over 50 countries.

We are a city campus

Kuching city centre is located 10 minutes away and we’re within the vicinity of commercial and residential areas.

We conduct world-class research

We produce innovative, high-impact and engaged research.

Our facilities and study spaces provide students with a more profound learning experiences

Campus Upgrade

With its commitment to enhance campus experience for students, Swinburne Sarawak is in its final phases of campus redevelopment. Up to RM50 million were invested into enhancing our research, teaching and learning laboratories, student accommodation and cafeteria among others.

With completion expected on 2nd half of 2023, these upgrades provide students with quality Australian education at affordable fees, preparing graduates for future of work with flexible and innovative teaching and learning culture.

Get a glimpse of the new campus

The 350 seat Lecture Theatre was recently refurbished to offer more creative and flexible learning and teaching spaces

Our research focuses on transforming industries, shaping lives and creating positive change

Facilities and services

Our students have access to:

- a 350-seat lecture theatre
- computer and science laboratories including two 24-hour computer laboratories
- 46 engineering and research laboratories
- a library with a 24-hour study area
- a Multi-Purpose Hall that accommodates 900
- recreational facilities
- a fully-equipped gym, squash courts, badminton courts and basketball court.

Academic life

Student Engagement, and Marketing and Student Recruitment will provide you with on-going support on matters regarding accommodation, student visa, course information and intercampus transfer, throughout your time at Swinburne.

Accommodation Services assists student with on-campus accommodation and may assist with looking for affordable off-campus accommodation for students.

We hold career fairs annually to help you explore your career options, build industry contacts and for you to communicate directly with employers. The Careers and Employability unit also helps students with:

- advice on graduate employment
- resume checking
- interview practice sessions
- career seminars and workshops.

Students will also have access to confidential counselling on matters relating to study, work, personal or relationship issues.

Academics	Student Cohort
Total 157	Local 3,000
Academic staff 68% are PhD holders	International 700
International academic staff members from 14 countries	From 50 countries
Staff : Student Ratio 1:20	Global community of graduates 180,000

Student Life

At Swinburne, the Swinburne Sarawak Student Council (SSSC) helps new students adjust to university life by organising programs and activities to which students can participate in.

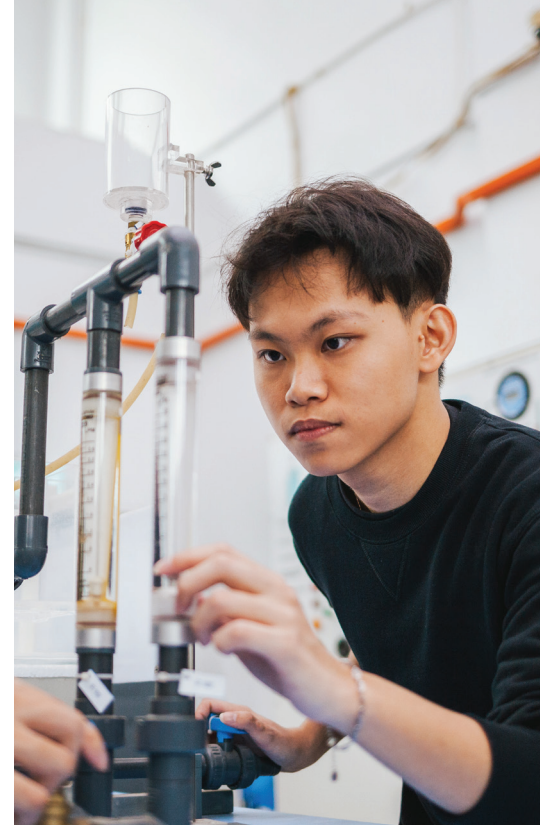

Every Swinburne Sarawak student is automatically a member of the council.

With more than 30 student clubs and societies, Swinburne offers students many opportunities to meet new people, experience other cultures, test ideas and develop life skills.

Sports and recreation facilities available to both students and staff include:

- basketball court
- badminton court
- gym
- squash court
- multi-purpose field.

There are also student-led sports and recreational clubs for you to choose from.

Living costs

In comparison to Kuala Lumpur, living and studying in Kuching is affordable especially for a student. It is estimated that students will require **RM30,000** per year for ongoing living costs, with where you choose to live playing a big part in this estimate.

The figure is intended for a guide only and will vary depending on individual lifestyle, and circumstances. This is also excluding tuition fees or airfares. It is also important to factor in the cost of moving to Kuching and related costs to when you are settling in. An initial budget of between **RM15,000** to **RM20,000** should be able to ensure you settle into your student life in Kuching comfortably.

For more info on Accommodation

Tropical haven

Sunny all year round, Kuching experience quite a lot of rainfall annually. Humidity is high with the occasional strong wind that lowers the temperature somewhat.

Festivals and Events

Steeped in traditional beliefs and rich in cultural heritage, festivals and events are held in Kuching and its surrounding areas throughout the year.

Kuching

Southeast Asia's most liveable city, making it ideal for students.

Swinburne-The Prototype Of A New And Different University

Swinburne is a small university with big dreams, an Australian university with global ambitions.

With the Swinburne Horizon 2025, Swinburne will forge the way as the prototype of a new and different university – one that is truly of Technology, of Innovation and of Entrepreneurship, and proud of it.

At Swinburne, people and technology work together to build a better world. With a vision to bring people and technology together to build a better world, our people are driven by a shared sense of purpose to create tomorrow's technology and the human talent required for a digital, tech-rich future.

We are committed to taking big strides and aspires for 'moon shots' rather than 'incremental steps'. Our moon shots will embolden and energise our staff, students and partners, enabling us to focus and invest in what we know can make a real difference in the world.

Our 2025 moon shots

– the strategic framework

Moon shot 1: Every Swinburne learner gets a work experience

All Swinburne undergraduate learners will experience work-integrated learning and real industry experience during their degree, including internships or industry-linked projects.

Moon shot 2: Every Swinburne graduate gets a job

Swinburne's goal is for every Swinburne tertiary graduate, including our alumni, to be a job taker or a job creator in a future world of work defined by technology, innovation and entrepreneurship.

Moon shot 3: Every Swinburne partner gets a tech solution

When our partners come to us with a problem, they will receive a technology solution. Swinburne will concentrate its efforts in flagship areas where the university is a world leader and has the potential to be the industry partner of choice.

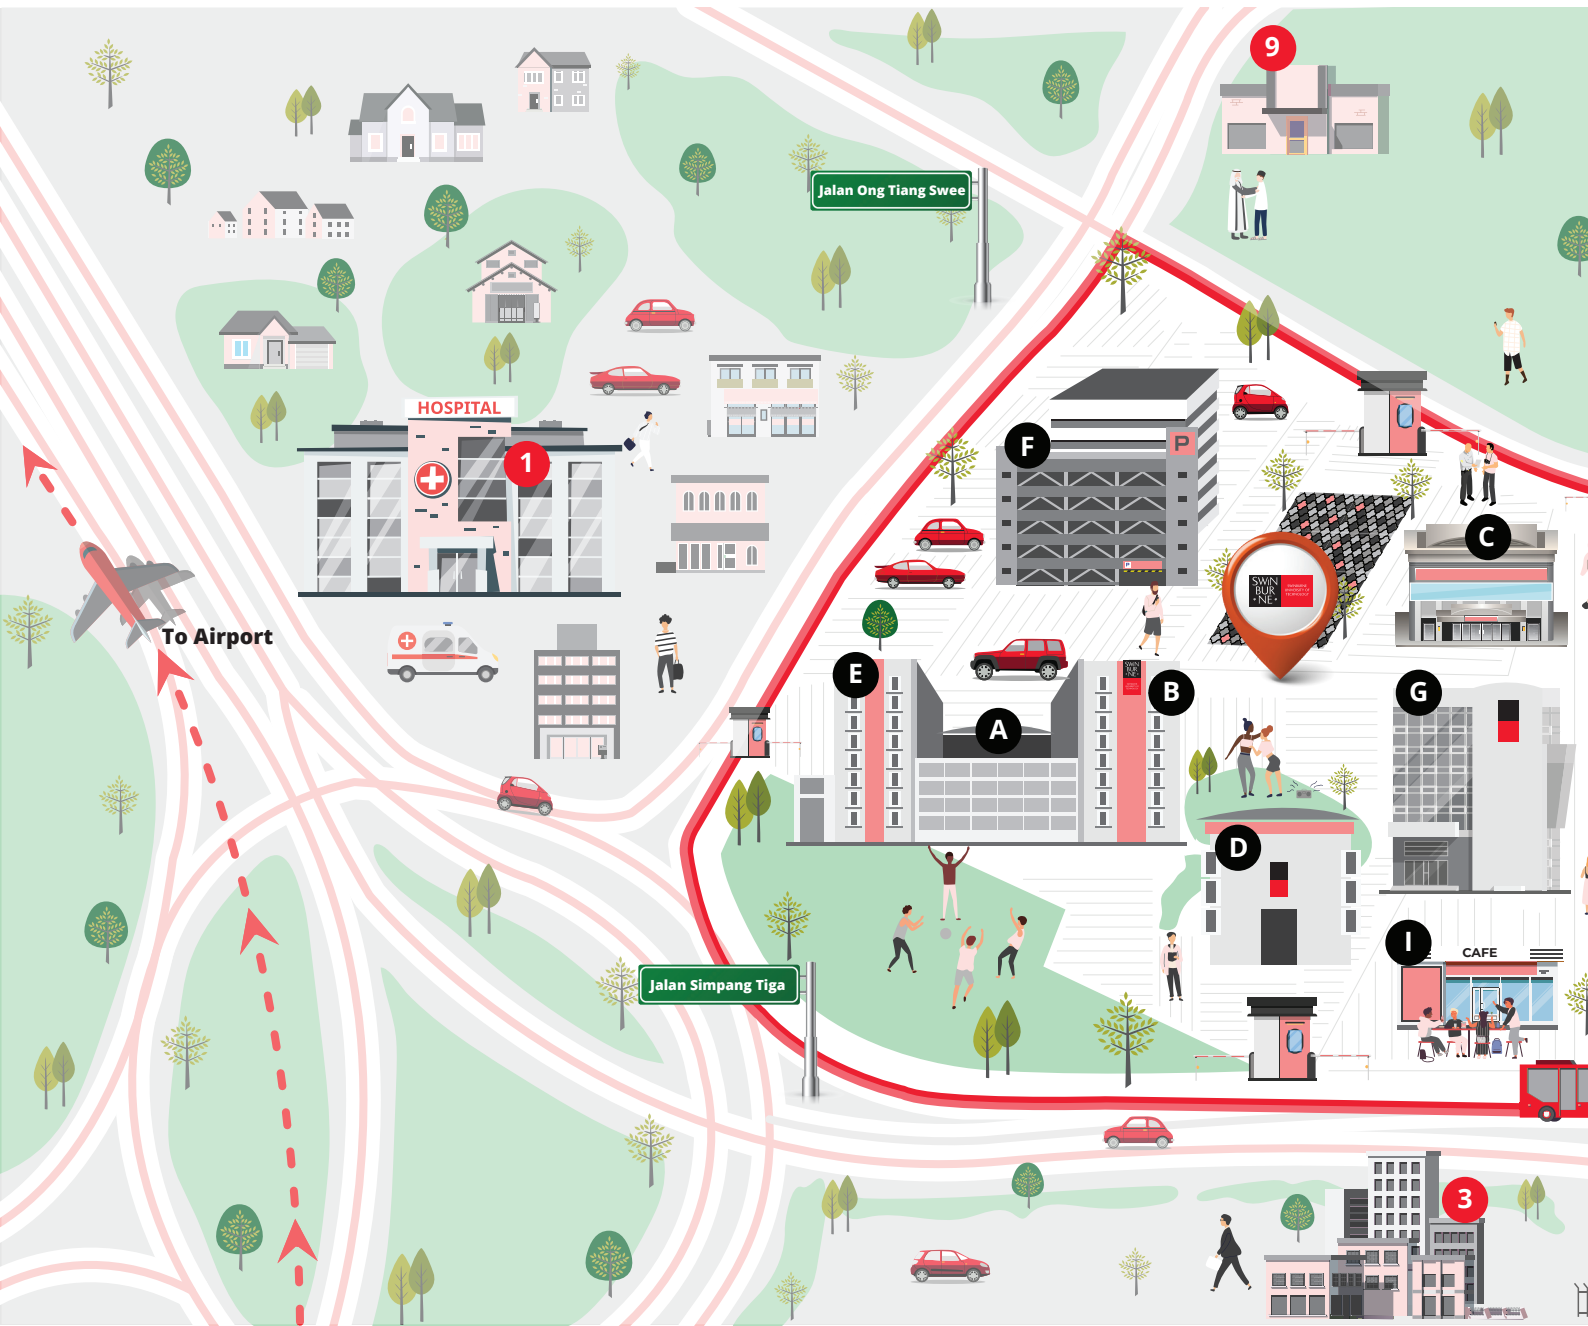

Moon shot 4: Swinburne is the prototype of global best practice

Swinburne will step up to the global stage, in research, education delivery and student recruitment. Swinburne will be the prototype of a new model of university that is fit for purpose in a digital future that is very different from the past.

For more information on our moon shots, visit <https://www.swinburne.edu.au/about/strategy-initiatives/2025-strategic-plan/>

In the Heart of Kuching

Studying at Swinburne Sarawak means studying in one of Southeast Asia's most liveable cities, famous for its relaxed lifestyles, clean environment and nature reserves.

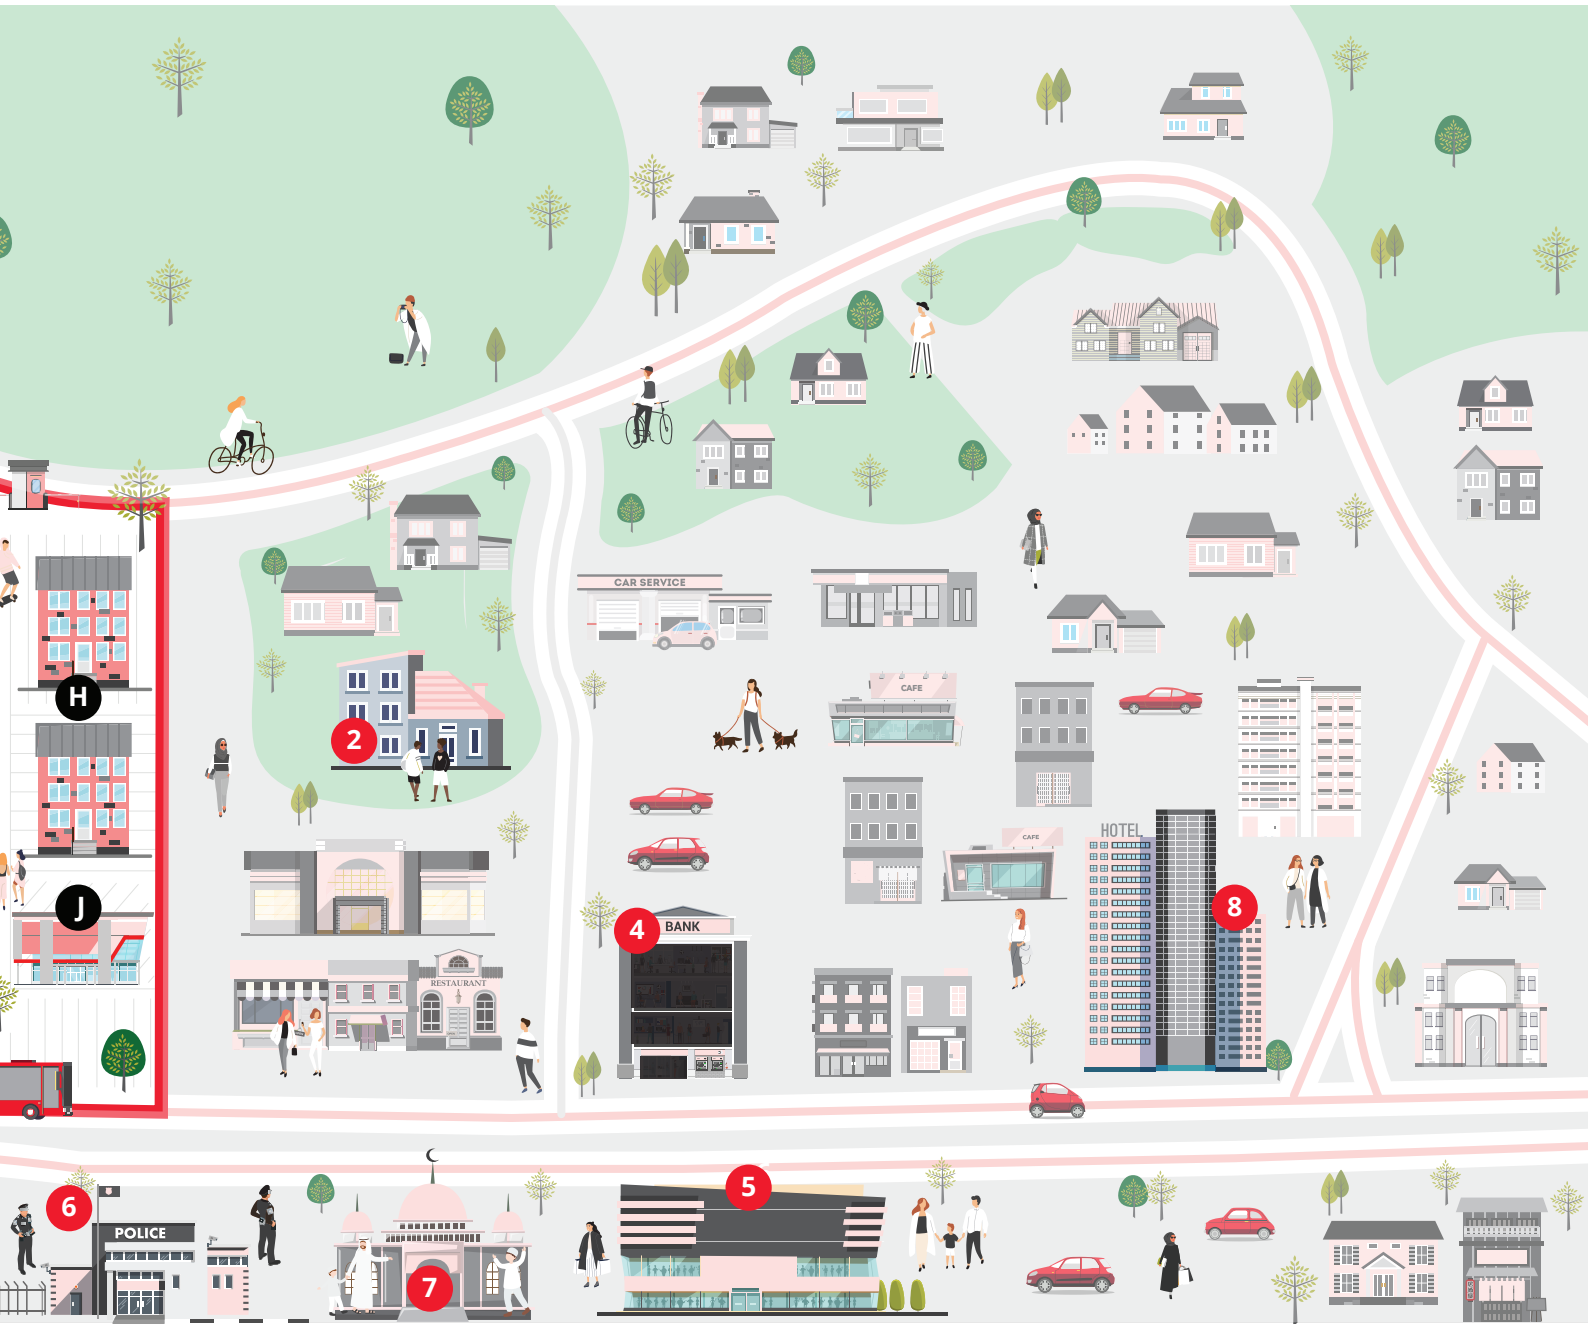

- A** Chancellery Building
- B** Faculty of Business, Design & Arts
- C** Multipurpose Hall
- D** Lecture Theatre

Got A Goal? We Have A Way In.

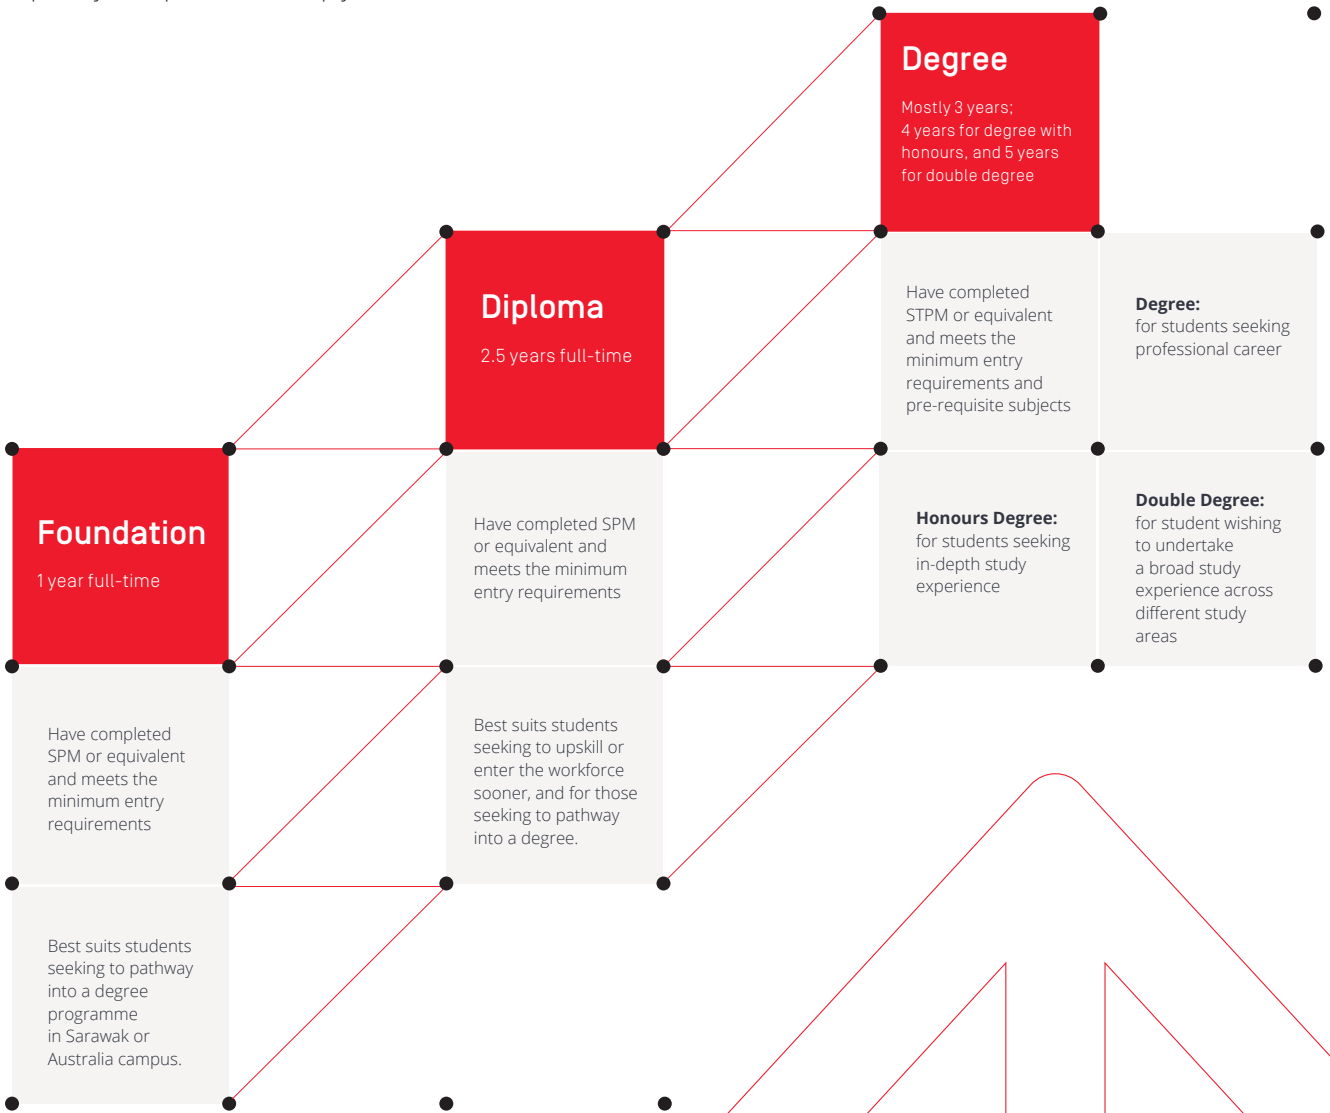

Swinburne Sarawak's one of those rare universities that offers you pathway options. Here's why it's important. We have many levels of study under one roof. So, if you choose to study a diploma course, you'll do it with all the perks of a next gen uni at your fingertips. And, when you finish your diploma course, you could find yourself transitioning into a university degree, or joining the workforce.

No matter what career you have in mind, enrol at the level you're comfortable with – diploma, or degree, then progress to further study or exit and start working in your field.

The path to your career goals is as unique as you. We'll help you explore your options and map your road to success.

Foundation in Business

Foundation in Business students wishing to articulate to Bachelor of Business (Accounting), Bachelor of Business (Accounting and Finance) and Bachelor of Business (Finance) must achieve a minimum CGPA of 2.50 in your Foundation year.

What's in a standard degree?

Our degrees are made up of 24 units of study for a 3-year program and 32 units of study for a 4-year program. A unit is basically another name for a subject and you'll usually take four per semester; eight per year. These units (or subjects) largely fall into one of three categories:

Major units

These specific subjects make up your specialisation, so pick a major you love!

Core units

Students who enrolled in a bachelor degree (regardless of his chosen major) will need to complete these units to graduate.

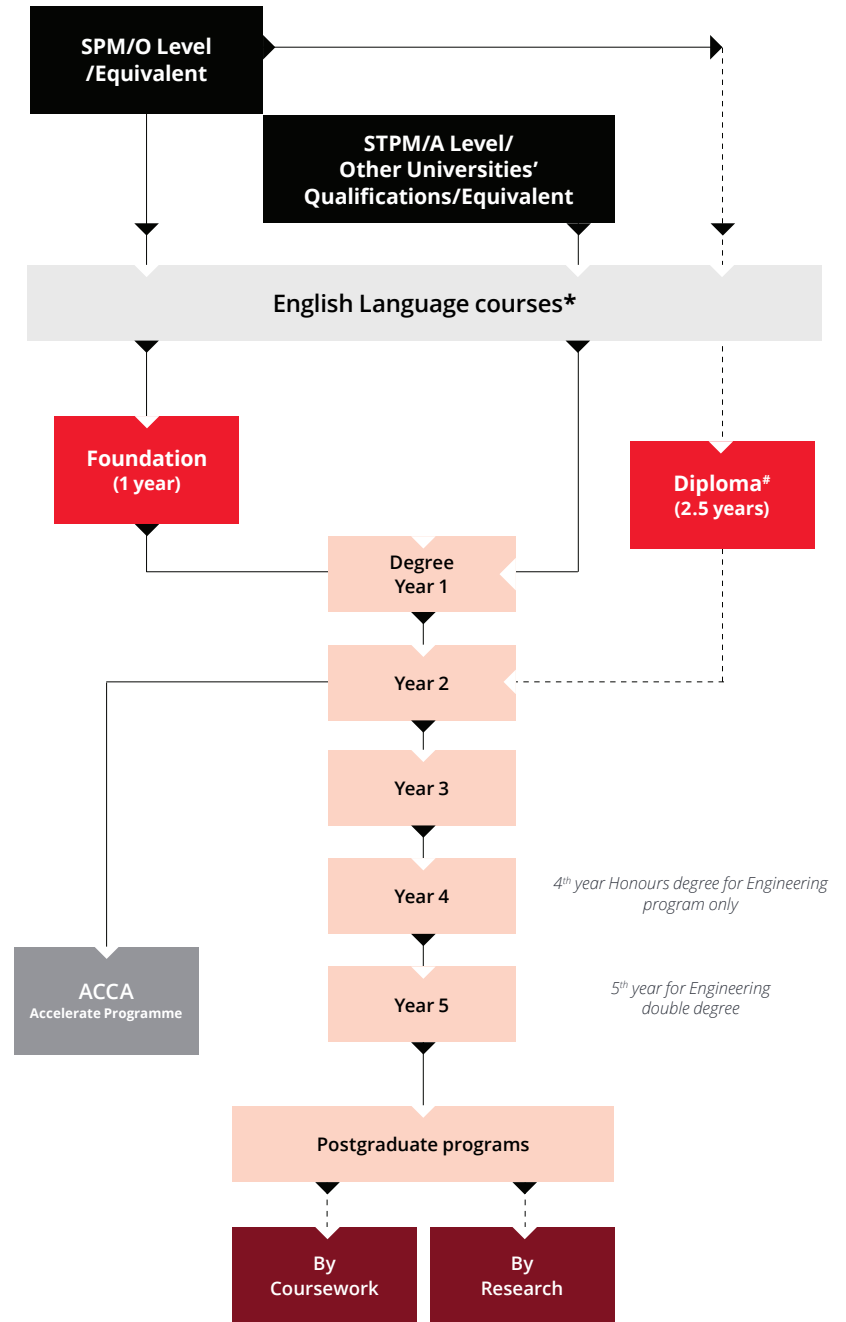

Elective units

Your remaining units can come from any areas of study. You may choose to:

- Take all the elective units from your course. You'll then end up with a second major;
- Take all the elective units from another course. You'll score a co-major;
- Take four elective units from one area to earn a minor, or
- Mix and match these elective units based on your interest.

Your pathway options

Our degrees are for 3 years, while Honours degree are for 4 years and double degree is 5 years. Students can also take up the ACCA professional program in their 2nd year of study.

* students who do not meet the English Language requirement

direct entry into 2nd year degree, with exemptions

MAKING A PAYMENT FROM ABROAD?

Swinburne Sarawak uses Flywire, a secure, streamline payment solution that meets the needs of international students.

ELICOS

Our English Language Intensive Course for Overseas Students (ELICOS) programme is designed to help you improve your English language skills in preparation to study. At Swinburne, the preparatory English programme we offer is the English for Academic Purpose (EAP) course.

English for Academic Purposes (EAP)

The English for Academic Purposes (EAP) course Levels 3 (Intermediate) to 5 (Advanced) is designed to enhance your success in your chosen programme. The course focuses on academic language, critical thinking and academic literacy skills and aims to enhance your success in your chosen programme.

Course structure

EAP aims to develop the English language skills needed to help your success at university. The program focuses on:

- Preparing assignments
- Taking notes and writing
- Communicating in multicultural environments
- Making presentations
- Improving your vocabulary.

Entry requirements

Students need to show evidence of English proficiency. Student without any evidence of English proficiency can opt to sit for an English Placement test.

Future Proof Your Career

Become a next generation leader

We're reinventing the way you'll learn, grow and succeed. With real industry experience opportunities available in many Swinburne postgraduate degrees. And cutting-edge courses, co-created with industry.

We are a university for the ambitious. When you join us, you'll meet the next generation of thinkers, creators and innovators. Build your network, make connections and take the next step in your career – whether in Malaysia or around the globe.

Upgrade yourself and the world, now.

Postgraduate Qualification Makes You Indispensable

Swinburne's postgraduate study helps you stand out in a competitive job market, where you gain specialised skills that help you achieve your career goals sooner. Our industry-backed postgraduate qualifications also make you indispensable in the industry of your choice.

Our postgraduate courses are structured as nested suites. This allows you to choose a graduate certificate first, continue into a graduate diploma and then go on to a Master. This structure gives you the option to exit with a qualification at any one of these points.

Graduate Certificate and Graduate Diploma

A graduate certificate or graduate diploma can provide specialised skills and enhance your career options. It is a great way to test an area of study before committing to a full master degree.

Master By Coursework

A Master by Coursework degree provides an in-depth overview and theoretical analysis of specific field of study or professional practice. It's the final step for anyone who has completed their graduate certificates and graduate diplomas.

Postgraduate Courses

Business Administration

Designed for new and future managers intending to pursue a global career, gain skills across key managerial functions including financing, marketing, business development and corporate governance.

Topics covered: Leadership and management, accounting and finance, entrepreneurship and innovation.

Make The Most Of Your Studies With A Scholarship

Excited about studying at Swinburne?
We're just as thrilled to welcome you!

We value the vibrant contribution that our students make to our campus, culture and community. With a scholarship, you can focus on experiencing all that Swinburne, and life in Kuching, have to offer.

We consider every application

When you apply for a Swinburne program, we automatically consider you for a scholarship. If you're successful, we'll advise you on your course application and scholarship success by email.

If you've excelled in your previous study, you could be awarded one of the many Swinburne Sarawak scholarships. Generally, the better your grades, the higher the scholarship amount will be. And if you continue to do well in your studies at Swinburne, you may be rewarded progression scholarships for your study.

Pro Chancellor Excellence Full Scholarship*

Malaysian student who achieved any one of these – 4As (STPM), 7As (UEC), GCPA4.0 in your Swinburne Foundation studies, or any equivalent qualifications, you may be eligible for the Pro Chancellor Excellence scholarship that offers you 100% tuition fee waiver.

**Malaysian student only*

Do You Qualify?

Visit here for details

Interest-free payment plan

You may also apply to pay your tuition fees over ten interest-free instalments annually. A processing fee of RM100 will be charged when you apply.

This plan is available to all students pursuing their foundation, diploma, undergraduate and postgraduate degrees.

For more information, contact Marketing and Student Recruitment at study@swinburne.edu.my

I was awarded a scholarship that made my education attainable, and where i can accomplish much of what i never thought possible. On top of gaining quality Australian education, I can also take any of the professional courses offered by Swinburne Sarawak while studying for my bachelor's degree.

Explore Malaysia

MALAYSIA - A Great Place to Live and Study

A country that offers diversity, culture and one that is fast becoming a popular tourist destination, Malaysia is also one of the top countries where you can get wholesome student experience.

An Emerging Education Hub

Malaysia is the 11th most popular study destination (UNESCO 2019) as it offers rich cultural immersion with a plethora of ethnicities. It is also a very cost-effective study destination for international students where its degree programmes are competitive in price, in a country with a generally low cost of living.

High Quality of Life at Low Cost

Most students are often amazed by how low the cost of living is in Malaysia. In Kuching, you can live comfortably with about RM1,500* a month including food, and daily expenses. According to QS Best Student Cities Ranking 2023, Kuala Lumpur is #6 in Asia, with the capital city also ranked as Asia's most affordable study destination.

No Language Barrier

While the official language of Malaysia is Bahasa Melayu (Malaysian language), English is widely spoken in Malaysia. English is commonly spoken in Kuala Lumpur and other major cities, and in Kuching in particular, almost all of its citizens speak the language due to its multi-racial and multi-ethnic community.

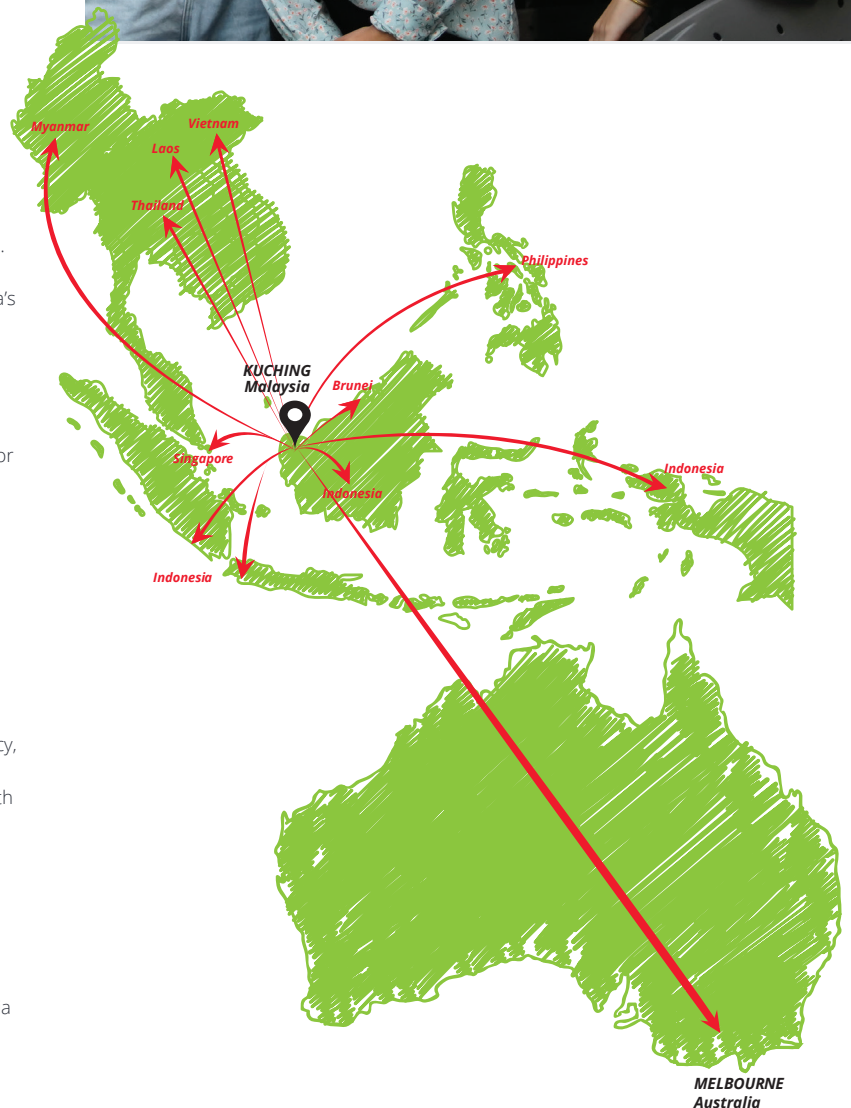

Malaysia has Great Universities

A huge part of Malaysia's investment in higher education is its partnerships with internationally renowned universities. Among them, Swinburne University of Technology Sarawak Campus. As the international branch campus of Swinburne University of Technology in Melbourne Australia, Swinburne Sarawak is highly rated by the Malaysian Qualifications Agency, offering students a unique study experiences that focus on creating future-ready graduates, innovation and research with real-world learning.

Ensure Safety and Peace

Malaysia is located in a geographically safe zone, ensuring that it is free from many natural disasters. The country is also considered a safe country with a low crime rate, ranked #18 by the Global Peace Index (GPI) 2022. With its modern infrastructure and transportation system, this makes Malaysia a safe and comfortable place to live, study and work.
