Diploma of Quantity Surveying

Course Snapshot

Intake	Duration
September	3 years

Swinburne's Diploma of Quantity Surveying aims to provide graduates with a broad range of introductory surveying knowledge and skills.

The course delivers a strong foundation that creates articulate and reflective problem solvers who are aware of a wide variety of tasks involved in the life cycle of a construction project.

Upon completion, you may find positions in the construction industry such as construction executive, quantity surveyor and contract executive.

Course Details

To qualify for the Diploma of Quantity Surveying, student must complete 300 credit points comprising:

- 20 core units (250 credit points)
- 2 accreditation placement units (25 credit points)
- 2 elective units (25 credit points)
- 1 non-credit unit.
