SWINBURNE EMPLOYABILITY AWARD VIDEO

VOICEOVER: Do you want to stand out to employers and gain recognition for your experiences? The Swinburne Employability Award helps you showcase your achievements and build your career readiness. This award recognises your experiences beyond the classroom. Paid work, volunteering, club participation, mentoring, and more. And the best part, it's free, flexible, and fits around your studies. There are three streams you can complete. Choose one or choose them all. Career Development stream, is about exploring your options, building connections, and making informed choices about your future. Professional Development stream, is about gaining recognition for your work experiences and developing key workplace skills. And the Career Passport stream, supports you to perfect your resume, build your LinkedIn profile and develop interview skills to help you stand out to employers. Each stream is self-paced on canvas, and when you're done, you'll earn a digital certificate and official recognition on your transcript, helping you stand out in the job market. Boost your employability with the Swinburne Employability Award. To find out more, visit our website.
