- Students may not complete more than 125 credit points (normally 10 units) at Introductory Level. Introductory Level units have “1” as the first numerical digit in the unit code. Eg: For ACC10007, The number “1” indicates that this is an Introductory Level unit.
- A minimum of eight units (100 credit points) must be completed at Swinburne University. This regulation must be observed in study plans that include unit exemptions; studies completed through international exchange, cross institutional study or study abroad.
- A unit can only be counted once as part of a major or minor. Where there is an overlap of a unit, students will be required to complete a predetermined substitute unit.
- It is the student’s responsibility to ensure that the pre-requisites for each unit are met when planning for their progression in their course.
