How to use your Course Planner

Refer to the below table to help explain what units are required each semester throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

Course Information

Each unit is equivalent to 12.5 credit points. To qualify for the award of this course, students must complete 32 units (400 credit points) comprising of:

15 Core Units

187.5 credit points

A set of compulsory units you MUST complete as part of your Course.

11 Non-Core Units

137.5 credit points

A set of compulsory units you MUST complete as part of your Course.

4 Recommended Elective Units

50 credit points

A combination of elective units, or a Minor.

2 Industry Placement Units

25 credit points

A set of compulsory units you MUST complete as part of your Course.

General Studies/ Mata Pelajaran Umum

0 credit point

A set of compulsory units to complete as a pre-requisite to graduate.

All commencing students of Master, Degree, Diploma and Foundation courses will be automatically registered for the **Academic Integrity Training Module** in the first semester (Note: Students articulating from Foundation Studies are expected to undertake this unit as a refresher). There are 4 topics in this online module that are recommended for completion during Week 1-4 of your commencing study period. At the end of this module, students are required to complete a quiz comprised of 10 questions and achieve a score of at least 90%.

Ministry of Education requires that all NEW Cohorts pursuing Degree course (International and Malaysian) students must take the MPU units as a prerequisite for the award of their degree.

- Malaysian students: Must take and pass the units as a prerequisite for the award of their degree.
- International students: Must attempt all coursework and final exam as a prerequisite for the award of their degree.

Notes

- * Recommended Elective units. You may choose other approved elective units from the published elective list in the Built Environment. Enrolment in the selected elective units are subject to:
 - Discipline Leader Approval
 - No timetable clash between selected elective units and core / major units
 - Seat availability in the selected electives
 - Selected elective units are offered in the current semester
