How to use your Course Planner

Refer to the below table to help explain what units are required each semester throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

Course Information

Each unit is equivalent to 12.5 credit points.

To qualify for the award of this course, students must complete 24 units (300 credit points) comprising of:

8 Core Units

100 credit points A set of compulsory units you MUST complete as part of your Course.

8 Major Units

100 credit points A structured set of compulsory units in a field of study specific to your Course.

8 Second Major/Elective Units 100 credit points

A Second Major or a combination of Elective units. A Second Major is a set of 8 units from the selected study area.

An Elective is a standalone unit from any study area.
