How to use your Course Planner

Refer to the below table to help explain what units are required each semester throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

Course Information

To qualify for the award of this course, students must complete 16 units + Industry Training (225 credit points) comprising of:

14 Core Units

175 credit points

A set of compulsory units you MUST complete as part of your Course.

2 Elective Units

25 credit points

A set of elective units you MUST complete as part of your Course.

1 Industry Training

25 credit point

Students need to complete 3 months internship as a pre-requisite to graduate.

4 General Studies / Mata Pelajaran Umum

0 credit points

A set of compulsory units you MUST complete as a pre-requisite to graduate.

All commencing students of Master, Degree, Diploma and Foundation programs will be automatically registered for the **Academic Integrity Training Module** in the first semester (Note: Students articulating from Foundation Studies are expected to undertake this unit as a refresher). There are 4 topics in this online module that are recommended for completion during Week 1-4 of your commencing study period. At the end of this module, students are required to complete a quiz comprised of 10 questions and achieve a score of at least 80%.
