

# COURSE PLANNER

## Diploma of Quantity Surveying

### DP-QSUV

Winter Term | June 2026

#### Recommended Sequence

Units are listed on your Course Planner in a recommended sequence. However, this can be amended depending on unit availability, unit progression, timetabling and the semester in which you commenced your course.

### Year One

| Winter Term   June 2026 |                                                                              |                |
|-------------------------|------------------------------------------------------------------------------|----------------|
| Unit Code               | Unit Name                                                                    | Pre-requisites |
| MPU2212                 | Bahasa Kebangsaan A<br>[Malaysian students without SPM Bahasa Melayu credit] | Nil            |
| MPU2272                 | Integrity and Anti-Corruption                                                | Nil            |
| Semester 1   Sept 2026  |                                                                              |                |
| QSD111                  | Measurement Project 1                                                        | Nil            |
| QSD112                  | Construction Technology 1                                                    | Nil            |
| QSD113                  | Introduction to Building Services                                            | Nil            |
| QSD224                  | Principle of Management                                                      | Nil            |
| Semester 2   Feb 2027   |                                                                              |                |
| QSD215                  | Construction Economics 1                                                     | Nil            |
| QSD126                  | Construction Law and Contracts                                               | Nil            |
| QSD221                  | Civil Engineering Works Measurement                                          | Nil            |
| DBC111                  | Preparatory English                                                          | Nil            |
| MPU2182                 | Penghayatan Etika dan Peradaban<br>[Local students only]                     | Nil            |
| MPU2142                 | Malay Language Communication 1<br>[International students only]              | Nil            |

### Year Two

| Semester 3   Sept 2027  |                              |                |
|-------------------------|------------------------------|----------------|
| Unit Code               | Unit Name                    | Pre-requisites |
| QSD211                  | Measurement Project 3        | QSD111         |
| QSD212                  | Construction Technology 3    | QSD112         |
| QSD226                  | Planning and Building By Law | Nil            |
| QSD114                  | Engineering Land Surveying   | Nil            |
| MPU2412                 | Service Learning             | Nil            |
| Semester 4   Feb 2028   |                              |                |
| QSD121                  | Measurement Project 2        | QSD111         |
| QSD122                  | Construction Technology 2    | QSD112         |
| QSD225                  | Construction Economics 2     | QSD215         |
| DBC121                  | Academic English             | Nil            |
| Winter Term   June 2028 |                              |                |
| QSD209                  | Industry Training            | 100 credits    |

### Year Three

| Semester 5   Feb 2029 |                                           |                |
|-----------------------|-------------------------------------------|----------------|
| Unit Code             | Unit Name                                 | Pre-requisites |
| QSD326                | Professional Quantity Surveying Practice  | 62 credits     |
| QSD324                | Project Management for Construction       | 62 credits     |
| QSD327                | Estimating                                | 62 credits     |
| QSD124                | Construction Materials and Specifications | Nil            |

#### Notes

- \* Recommended Elective units. You may choose other approved elective units from the published elective list in the Built Environment. Enrolment in the selected elective units are subject to:
  - Discipline Leader Approval
  - No timetable clash between selected elective units and core / major units
  - Seat availability in the selected electives
  - Selected elective units are offered in the current semester

#### How to use your Course Planner

Refer to the below table to help explain what units are required each semester throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

#### Course Information

Each unit is equivalent to 12.5 credit points. To qualify for the award of this course, students must complete 24 units (300 credit points) comprising of:

**16 Core Units**  
**200 credit points**

A set of compulsory units you **MUST** complete as part of your Course.

**4 Recommended Elective Units**  
**50 credit points**

A combination of elective units, or a Minor.

**1 Industry Placement Units**  
**25 credit point**

A set of compulsory units you **MUST** complete as part of your Course.

**General Studies/ Mata Pelajaran Umum**  
**0 credit point**

A set of compulsory units to complete as a pre-requisite to graduate.

All commencing students of Master, Degree, Diploma and Foundation programs will be automatically registered for the **Academic Integrity Training Module** in the first semester (Note: Students articulating from Foundation Studies are expected to undertake this unit as a refresher). There are 4 topics in this online module that are recommended for completion during Week 1-4 of your commencing study period. At the end of this module, students are required to complete a quiz comprised of 10 questions and achieve a score of at least 90%.

Ministry of Education requires that all NEW Cohorts pursuing Degree program (International and Malaysian) students must take the MPU units as a prerequisite for the award of their degree.

- Malaysian students: Must take and pass the units as a prerequisite for the award of their degree.
- International students: Must attempt all coursework and final exam as a prerequisite for the award of their degree.
