## BEACH

## HIKE

## TRAIL

Be sure to sort out transportation because most beaches are at least 30 minutes drive away.

- Damai
- Permai
- Lundu (1 hr+)
- Sematan (2 hr+)

So head down for trips with your friends, and plan some activities to make the most of your time!

Perhaps a barbecue? Bring along games to enjoy the sun and sand.

The few popular hikes around Kuching are:

- Santubong
- Singai
- Serapi

Each is around 40 minutes from town by car, so get into some comfy shoes and be sure to bring water for the trip!

Don't forget a camera for that all important #summit shot to go on the Gram.

The national parks and reserves in Kuching often have trails for visitors, with some even offering guides!

Depending on where you go, you could plan trips to include overnight stays on-site.

- Bako National Park
- Kubah National Park
- Semenggoh Wildlife Centre
- Matang Wildlife Centre
- Jangkar Waterfalls

# NEAR TO CAMPUS

## GROCERIES, BANKS, FOREIGN EXCHANGE

The closest supermarket to campus for groceries is [Ta Kiong](#), at [The Spring Shopping Mall](#).

Alternatively, you could also check out [Unaco Supermarket](#) which is at [King Centre](#) (7 to 10 mins walk).

The closest local bank is [RHB Bank](#), less than 5 mins walk when exiting from the university side gate via Student ID card.

International or exchange students can set up local bank accounts here, but you'll need to [have your passport](#) with you. They also do [MoneyGram](#) and [Western Union](#) services.

The closest [Forex](#) service is in the basement of [The Spring Shopping Mall](#).

## THE HALAL GAP

Most supermarkets will usually separate pork and other non-halal products from the rest.

So it's not that they don't have the tasty bacon you're looking for, it's probably just in a different section.

Think we missed out on some useful info? We'd love to get all your feedback!
